Sample Unit Outline & Lesson Plans for Easy Planning

You can scroll through all the lessons & get an overview on the left side panel

The unit sample outline gives you an idea of how you could implement the unit into your schedule. (However, feel free to implement the activities however you see fit!) We have included lesson plans to prep your students for their research projects.

Parent Letter and Invitation to Keep Parents Involved and Informed

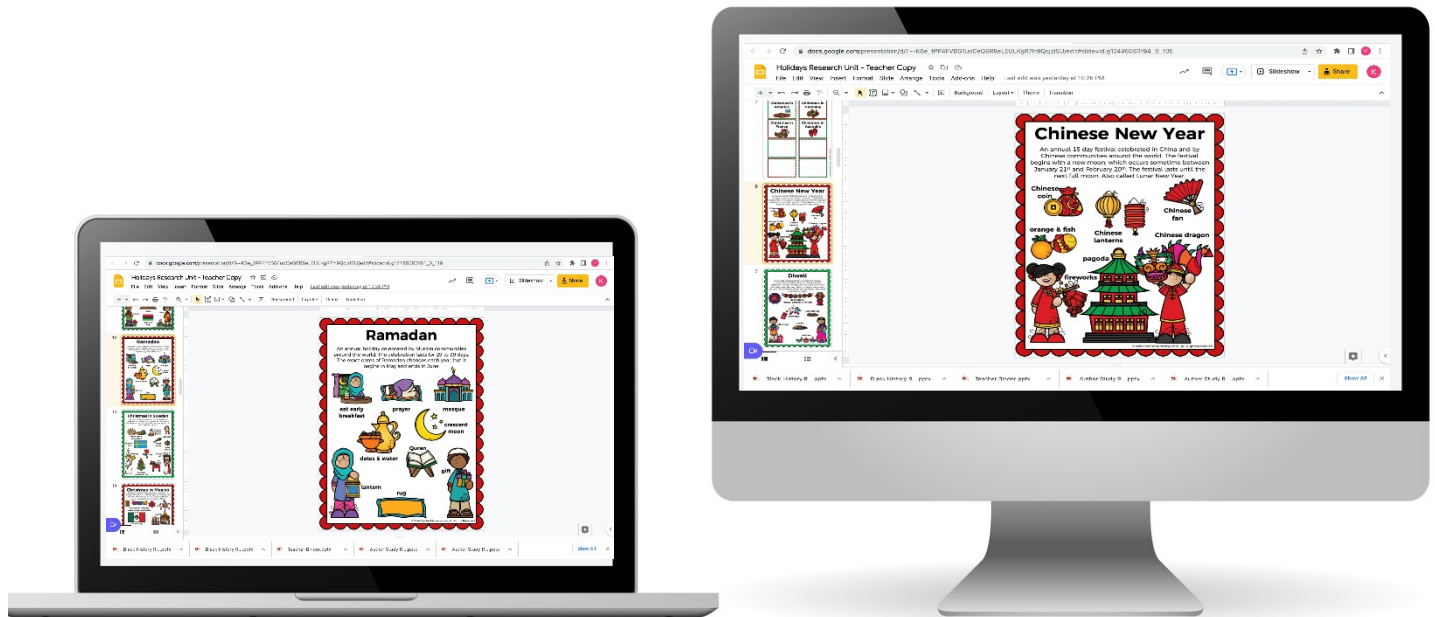

We have included a letter to parents and a Holidays Around the World Fair invitation to help keep your students' parents and guardians involved and informed. You can type the dates and your name right into the letter.

Holiday Cards to Randomly Assign a Holiday to Each Student to Research

We have selected 12 holidays and have included cards spotlighting each of them for you to print, cut, and mix in a basket. Students will randomly choose which holiday they will research.

Colorful, Educational, & Easy to Understand Holiday Posters to Help Inspire Your Students

We have created colorful, easy to understand posters to go along with each of the holidays. These can be used to help students think of keywords for their research or to help them with their holiday decorations and report.

A decorative horizontal border at the bottom of the page, composed of a sequence of small, semi-transparent colored circles in shades of teal, green, and red.

Multiple ½ Page and Full Sheet Student Research Journal Pages to Reach all Levels of Learners

The student research journal pages include differentiated pages of research prompts for students covering each holiday. We have also included blank pages to create your own prompts.

Final Project With Grading Rubric for Easy Assessment of Student Understanding

Students will complete their final project by writing a report about their assigned holiday and then create holiday decorations. We have included an easy-to-follow grading rubric to make assessments quick and easy.
