IMPORTANT! Editable Section Info

****BEFORE YOU TRY ANYTHING, be sure that you open the file in Adobe Reader.****

- Your default view might be Preview (if you're on a Mac) or it may open in your web browser on Chrome. If you try to open the PDF file and are not in Adobe Reader, you will most likely have problems editing the text boxes. Instead, close the file and locate Adobe Reader on your computer. Once you open Adobe Reader, you can open the PDF product file from there.
- **Next**, be sure you have the most updated version of Adobe Reader. If you are having trouble editing the text boxes, go to this site to download the most current version (99% of the time, it will take care of any problems you might have): <http://www.adobe.com/products/reader.html>
- **DOUBLE CLICK** over the text box where you would like to type. Type the text that you would like in the field. Click outside of the box once you are finished in order to keep the changes you made to that text.
- **"Helpful Hint"** To quickly scroll through the form fields, hit the "tab" key

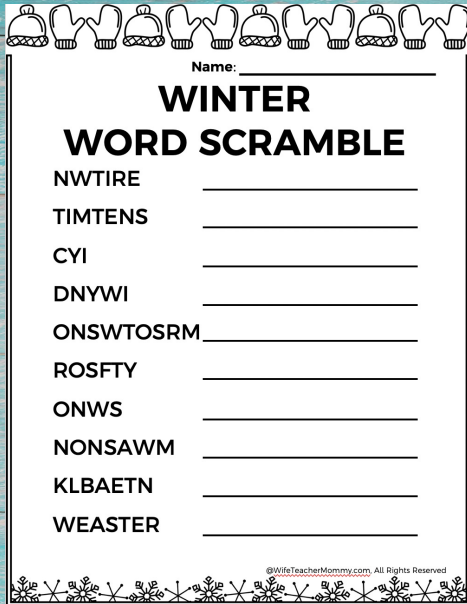

If You Have Questions

- If you have questions about how to edit the file included in this product, please send us a message on TPT or email us at hello@wifeteachermommy.com *prior to leaving feedback!* Technology can be confusing sometimes, and we will do whatever we can to help you figure it out

The Note to Educator & Instructions page provides all the guidance you will need to get everything ready for you Winter Party! The Editable Section instructions will walk you thorough how to edit the editable banner using Adobe Reader.
