

Valentine's Day

Instruction Page for Easy Guidance

Valentine's Day DIRECTED DRAWING

Supplies needed:

- Directed drawing worksheet and accompanying writing pages
- Crayons, markers, etc. to color with
- Scratch paper

Instructions:

- Give each child the step-by-step Directed Drawing worksheet.
- Have students follow each step to learn how to draw the assigned item on scratch paper prior to drawing their final item within a picture on the worksheet.
- They may continue to practice on scratch paper until you instruct them to move on or until they feel comfortable creating their final drawing.
- Tell them to draw their picture large so it takes up the full space in the box.
- Once they finish their picture, hand out the accompanying writing page.
- Students should write a story to accompany their picture while trying to keep the theme on the assigned drawing item.
